Favor Army.

Army is a strong favorite over Navy for the annual service game at New York. However,

Navy for the annual service game at New York. However, very few wagers have been made outside of service circles, and the Navy adherents ask such large odds that betting has been at a low ebb.

ANNAPOLIS, Nov. 23.—The Naval Academy will opose its soldier rivals at the New York Polo Grounds on Saturday with the least experienced team in its modern athletic history. It will opose the Military Academy eleven with a team of which but two, possibly three, received their lotter last year, such a condition is most unusual samong the teams of the country, in fact, hardly an instance could be cited where a team has been so shattered in fact, hardly an instance could be cited where a team has been so shattered in fact, hardly an instance could be cited where a team has been so shattered in fact, hardly an instance or the country, in fact, hardly an instance or the country, in fact, hardly an instance or the country, in fact, hardly an instance or the country in fact, hardly an instance or the country, in fact, hardly an instance or the country, in fact, hardly an instance could be cited where a team has been so shattered in fact, hardly an instance could be cited where a team has been so shattered in fact, hardly an instance could be cited where a team has been so shattered in fact, hardly an instance could be cited where a team has been so shattered in fact, hardly an instance could be cited where a team has been so shattered in fact, hardly an instance could be cited where a team has been so shattered in fact, hardly an instance could be cited where a team has been so shattered in from instance or the country, in fact, hardly an instance could be cited where a team has been so shattered in fact, hardly an instance could be cited where a team has been so shattered in fact, hardly an instance could be cited where a team has been so shattered in fact, hardly an instance could be cited where a team has been so shattered in fact, hardly an instance could be cited where a team has been so shattered in fact, hardly an instanc at the New York Polo Grounds on Saturday with the least experienced team in its modern athletic history. It will three, received their lotter last year, and not one of whom was picked as

representation from last year's squad.
Ward, who was a substitute tackle
last year, and won his letter, will be
in the line-up at the beginning of the
game on Saturday, and Craig, a substitute halfback last season, will be at
quarter. Blodgett, who was a regular
halfback last season, may begin the
game at left end on Saturday, but this
last section.

Heimberg's experience has been similar.

The two linemen, however, have played a good deal of football. Gliman has been a member of the squad at both Colgate and Cornell, though not making the team at either place, and Smith has had four years' experience on a preparatory school team, and one on a Western college which is not well known in athletics.

The lack of experience of nearly all of the Navy players is the strongest reason for doubt as to its ability to play a strong came against the Army team next Saturday. Individually, there is much playing ability on the Naval Academy squad, but it is unlikely that a team which has played so loosely during the season can get together in the few days that remain before the final contest.

Cochran Has Chance to Gain Fame By Winning

From Foul Line To Pit

The Petworth Cube defeated the Columbia A. C. yesterday, 14 to 0. The game was well featured by long runs around the ends by the Petworth backs. The playing of Martin at fullback and of Millard at quarterback was good. The first touchdown came when Jones made an end run and the second when Junghaus caught a forward nass behind the goal. Knox played a fine same at left half, while Springmann was the star on the defense.

games of the Church League basketball teams at the Y. M. C. A. gymnasium indicate that the circuit will have
a wide following this season. Two
games were on the opening program.
Epiphany defeating Keller by 27 to 21,
and Eastern Presbyterians winning
from Peck Church by 17 to 16.
Engley, of Epiphany, starred for his
team, making 14 points, while Bixler
also played well.
Peck made desperate efforts to score
a goal during the last minutes, having
the ball at their end of the hall most
of the time, but falled to make the
needed basket. A foul against them
just as the whistle blew and a free toss
by Stinner ended the game, with Eastern 1 to the good. A. Tosh played best

Miss Atkinson Wins With Ezra Gould

The finals in mixed doubles in the fall tournament at the Washington Country Club was won by Miss Atkinson and Erra Gould yesterday.

Miss Durnin and Boyd Taylor were the losers. They played a strong game, particularly Miss Durnin, which is evidenced by the score, 6-4, 8-5.

The winners received a handsome silver cun.

Short-Term Contracts For Chicago Cubs Now

CHICAGO, Nov. 28.—Short-term contracts will hereafter be offered players of the Chicago National League club, it was announced today. It was said that officers of the club had become convinced that the long agreements, that officers among the players to much of an opportunity to make excuses for absence from games. Phill Douglas a pitcher obtained from Brocklyn a few months ago, signed a one-year contract today, being the first of the Cubs not already under contract to bind himself for 1916.
